**President's Report**

Welcome everyone, October has arrived with all the excitement that spring brings with it, this month daylight saving and all the trees adorned with the most beautiful blossoms.

Perhaps summer may be heading our way at long last, but we had better not get ahead of ourselves just yet as September slipped backwards into winter again and was very wet and cold.

Our Don will be taking charge of his treasurer job again as he is back to his happy healthy self again.

We can't thank Robin enough for the fantastic job and all the time and effort he has spent standing in as our treasurer, these past few months.

Robin, without you to take over for us we really would have struggled, you have done a wonderful job and we can't thank you enough for going over and above the call of duty!!!

Today our speaker is Samantha Cutler telling us about Forget Me Not Life Stories, capturing the stories from the past.

Have an enjoyable day with all your friends. Lots of love to you all. **Jeanette**
