And finally, some Christmas jokes that hopefully make you smile.

How will Christmas be different after Brexit?  
No Brussels!

What do you get if you eat Christmas decorations?  
Tinselitis.

What do you call an obnoxious reindeer?

Rude-olph.

4 year old to her 2 year old sister, "Let's play Christmas. I'll be Santa, you can be a present and I'll give you away."

Why was the turkey invited to join a band?

He was the only one with drumsticks.

Two women were chatting. "I took my husband to a Christmas market at the weekend," said one of the women. "Did you manage to sell him?" asked the other.

This will be the fifth year running that my in-laws have come over for Christmas dinner. This year we might let them in.

Santa once lost his undies. That's how he got the name St Knickerless.

And finally...

It was a week before Christmas and a man was in court. The Magistrate was feeling full of seasonal cheer and he asked the man, "What are you charged with?"

"Doing my Christmas shopping early," replied the man.

"That doesn't seem too bad," said the Magistrate, "how early was it?"

"Before the shop opened," said the man.
