

REPORT on 60s Up Movement of N.Z. Conference, MASTERTON.

Sun 17th – Tues. 19th June. 2018.

Solway Park Hotel in Masterton is a great venue for a Conference. Helpful friendly staff, very good Conference rooms, comfortable accommodation, very good food. Great music & entertainment after the annual dinner.

83 members attended. 19 Branches represented. 1 Life member.
Welcome to our new Patron Bev. Burford.

The Mayor of Masterton Lyn Paterson made a great welcoming speech with lots of local information. The two day A.G.M. and Conference event came together really well, nice afternoon tea for registration. Followed by a quiz to get everyone chatting together. We have had great feedback, re the hotel, the food, the entertainers. Yes the weather was a little on the cold side and the rain threatened but the hotel was all under one roof with no stairs and good parking for those who drove.

The bus trip was well received by the 57 members who joined in. A full bus, no need to count heads !! First we visited N.Z.s own Stonehenge and found it most interesting. Lake Ferry Hotel, a great place for lunch and an interesting visit to Cobblestones Museum at Greytown on our return to Masterton.

Many thanks to all those members who supported us in our efforts to produce that important and necessary Conference. Nice to have our President present this time but we did miss his wife Coral who was unable to join us. Thanks for great support from our fellow National Executive members.

Maureen Moody & Alison Waugh. Convenors.
