AUGUST BUS TRIP.

Hi Everyone, what awful weather it was for our trip to the Maritime Museum! We were lucky really, that although it was very wet to begin with, the rain held off each time we were getting on and off the bus. The Maritime Museum was very interesting, a lot to see and the café had a lovely view of the boats. Then on to the Te Atatu Boating Club for a delicious roast dinner. We all enjoyed the day despite the weather and enjoyed each other's company. Thanks again to PamW and Elaine for a great day. Barbara S

AT LAST MONTH'S MEETING – we celebrated Pat Roderick turning 90. Pat entertained us with her very interesting and full life – especially her involvement in music.
