Greetings everyone

Our guest speaker last month, Pete Gifford, gave us a very interesting insight into his role as a dog trainer preparing dogs to be given to people who have medical issues. He teaches the dogs to detect specific smells which are generated by specific ailments. The young dog he had with him was beautiful to watch, he sat so docilely at Pete's feet the whole time.

The bus trip to Pahiatua is filling up fast so get your name and payment to Gayle next Monday.

The Annual General meeting and election of committee members is scheduled for May and you will be entertained by the Manawatunes.

This month our guest speaker is Robyn Towning from Powerco.

See you there.
