60s Up Movement, Levin Branch

Hi guys

Great to see all the photos that come in after a bus trip, keep them coming. Don't be shy to put any of yours up as we all take different ones, even if it's only from a different angle. I've had it commented to me, from people who haven't managed to go, that for them the photos are just like they were there. So lets keep them happy

Don't forget you are not just restricted to posting bus trip photos. you can post anything you want

Cheers

Pam
