"Thought of the Day"

"Not all storms come to disrupt your life; some come to clear your path."

Greetings

Good heavens May and Annual General Meeting time is just around the corner. I am happy to tell you that past president Bruce Powell has accepted our invitation to Chair our annual meeting again. What an enjoyable and informative talk the "Bee Lady" gave us at last Monday's meeting.

Just a reminder - Flu jab - a telephone call to the doctors/pharmacy will confirm if your covid one is due.

Take care John

Please let us know your ideas and thoughts for trips and entertainers, past and potential new places and people. We would love feedback both positive and negative so we can successfully plan what you would like for the future.

Jim Joll is a talented musician who sings, plays guitar, flute and keyboards. Jim's repertoire includes popular jazz standards, Rock 'n Roll and popular covers from 60's to 90's. Jim provides his own quality backing tracks for full band sound. A feature of each performance is Jim's knack of taking on the personality of the original recording artists.

TRIP FEEDBACK - April 2024 Auckland Botanical Gardens, Manurewa

Photos courtesy of Lindsey & Tricia

What a fantastic day we had. A big thank you to Janet for organising the train, which meant that we could view much more of the mature garden grounds in comfort.

The Cosmopolitan Club in Manurewa served a delicious Carvery Lunch which was greatly enjoyed by all.

“A most enjoyable day, the weather was perfect. Great to have the opportunity to travel around on the little train with a running commentary from one of the volunteers.” - Carole
