*"Thought of the Day"*

*"You define your own life. Don't let other people write your script" - Oprah Winfrey*

Hello Everyone and Happy New Year to you all.

I am taking up the reins after the loss of our President John. May I say a big thank you to all that came to show their respects at his funeral, it was pleasing to see so many of you there. He certainly had a good send off. I hope our year ahead will be a good one with some good entertainers and trips on the menu. Please let us know if there is anywhere you would like to visit or maybe a repeat of something we have already done, as it is getting difficult to come up with ideas, so anything is welcome. Looking forward to seeing you all on 3rd February.

Janet

A presentation by John Pringle who is Chairman and Trustee of Angel Flight as well as one of the Mission coordinators. John will tell us about this nationwide network of volunteer pilots and planes, that may provide free flights to hospitals or specialist facilities for patients and caregivers. Our volunteer drivers meet every flight and provide transport to the hospital, clinic or surgery. We will also hear how much of a difference this service has made to patients and to close, a video covering a mission of transporting a week old baby from Kaitia to Auckland for Surgery.

# AWAAROA ALPACAS

## Wednesday 19th February

A talk about Alpacas whilst we enjoy a Farmhouse Morning  
Tea made on the premises

Our farm of 14 acres is run by us and we are very passionate and excited about all Alpacas have to offer. Alpacas are intelligent and peaceful animals and relatively easy to handle. With their lovely big eyes and long eyelashes how could you not fall in love with them. We have a herd of over 50 animals, both Huacaya and Suri, in a wide range of colours as we love their diversity.
