Keep those chip packets coming! Just drop them by the door when you sign in, and I'll take care of getting them to the Albany Library. No need to wash them—my granddaughters love that task whenever they stop by.

Fishing with Grandpa

Earl took his grandson fishing. After hours with no bites, the grandson asked, "Grandpa, why do you like fishing if we never catch anything?"

Earl grinned, "It's not about the fish, kiddo. It's about teaching you patience while I get to nap."
