Presees Prattle

Greetings everyone

Pity the weather killed our February meeting. We sent an email out in the morning which was seen by almost everyone and only half a dozen turned up at the hall, so the communication worked well.

The bus trip to Bushy Park was a very enjoyable day out for 47 members. The old mansion is very impressive, meticulously refurbished with the best of chattels and the grounds offered a wide choice of walks. We were served a scrumptious meal and given an interesting talk by the owner.

Hopefully the weather will be kind to us this month and we will see you all on the 16th

Why did the math book look sad? Because it had too many problems.

I wanted to be a baker, but I couldn't make enough dough.

Why did the golfer bring two pairs of pants? In case he got a hole in one!

Why did the tomato turn red? Because it saw the salad dressing!
