A warm welcome to all our members, new members, and guests. It's great to have you with us.

A special thank-you to Pauline Bacon for taking on the role of organising our speakers and entertainment. Please support her as she settles into this important position.

We are still very much in need of someone to help organise our trips. Many outings are already planned for the year, so having someone to bring these together would make a big difference. Full support and guidance will be provided. If you're interested, please speak to any committee member or phone one of the contacts listed above.

We're looking for extra hands to assist with setting up the hall on the morning of our General Meetings. The hall will be open from **8:15am**, and even some help for a short amount of time makes a big difference. If you're able to lend a hand, we'd love to have you join us.

We are now calling for nominations for committee positions. Nomination forms are available—just ask a committee member if you need one. You're invited to nominate any member you believe would be a great fit, but please check that they are willing to accept the role. Each nomination must also be seconded by another 60's Up member. Once completed, please return your form to a committee member before our April meeting

A reminder that it's time to renew your subscription. This year's fee is \$20, due by 1st April.
