**Presees Prattle**

Greetings everyone

Well, we've had a very entertaining and interesting month with the two speakers from AA talking about all the services they offer, including drivers' licenses and the bus trip to visit Weta workshops. What a fantastic place and it was so interesting to see how many different movies they have been involved in.

Our meeting this month includes our Annual General Meeting where we will say a special thank you to four members who are leaving the committee, two of them after 10 years' service. The remaining members are all standing again.

The Old Crochets will be providing the entertainment which we guarantee will be enjoyable.

That's all for now, see you next Monday.
