

Welcome to the South Auckland Branch of the 60s Up Movement:

May 2026 Newsletter:

May is our A.G.M. Our grateful thanks to Ken Crow who has very ably held the Presidents role for the last year. He is stepping down but will stay on the committee.

We have had complaints of members talking constantly during the entertainment. This is extremely rude and ruins the entertainment for members sitting near you. In future we will stop the entertainment until you stop talking. Be warned!!

Middlemore Hospital is again running their "Jammies for June" appeal. They would particularly like PJ's for older kids. If you would like to donate please bring them to our next meeting and we will deliver them to Middlemore Hospital.

Our meetings are held at 10am on the first Wednesday of every month at St. Andrews Presbyterian Church, 150 Great South Road, Manurewa. Tell your friends about us
