

The 60s Up Movement of New Zealand is an incorporated society, created in 1982 for senior members of a community who are active and usually no longer in full time employment. They meet in local branches to find new friends, enjoy social time together and take part in activities.

One of the main objectives is to offer activities for members to keep themselves active and in touch with like-minded seniors

Meetings occur on the first Thursday of the month at 10.00am in the Artie Stewart Lounge at the Citz Club 13th Avenue

\$3.00 Entry fee

Raffles are sold at every meeting
