A warm welcome to all our members, new members, and guests. It's great to have you with us.

We're already halfway through the year! I hope you're staying warm, surviving the winter, and keeping those winter chills at bay.

We have some great trips planned and interesting guest speakers coming up for our general meetings. You'll find these under Event Details.

Unfortunately, Pauline has had to step down from her role as Entertainment Officer. We would like to thank her for the time and effort she has contributed over the past couple of months.

We are now looking for someone to take on this role. Thanks to Pauline's excellent planning, speakers and entertainers have already been arranged for the rest of the year. The new Entertainment Officer will mainly coordinate with these people and keep the committee updated.

If you're interested, or know someone who would be a great fit, please contact Fiona.

Assistance with hall setup from 8:15am on General Meeting mornings would be appreciated.

A reminder that it's time to renew your subscription. This year's fee is \$20. If you're not sure whether you've paid, please check with Sandra.

If you arrive late to the monthly meeting, please pay your \$2 at the membership table.

Technology Lesson

Grandad asked his granddaughter, "Can you show me how to use this smartphone?" "Of course," she said.

Twenty minutes later, Grandad smiled proudly.

"I still don't know how to use the phone," he admitted, "but now I have three new apps, a dancing cat as my wallpaper, and apparently I've joined something called a group chat."
