Hastings Branch

Newsletter 206

September 2026

Good Morning and here we are into the ninth month and that means we are into the last quarter of the year. I recall my Mother saying as you get older the days and the years just pass you by so quickly and me saying to her how can that be, there is the same number of days in every year. As I have got older I share her sentiments more and more.

Please remember that you can see the Focus magazine and newsletters on the website www.60supmovement.org.nz

The Monthly Lunch

Will be held on the 17th September 2026 at Jarks at 12 noon. The list is on the Table.

Christmas Lunch

Please keep the date of Thursday 26th November 2026 as this will be our last event for the year. We will have a meeting on the 10th November where we will have a festive morning tea and would appreciate it if everyone could bring a plate. This is an advance notice and the list for the Christmas Lunch will be out next month.

It was brought to my attention that Teresa Hurst made the news in HB Today a week or so ago. The headline was Working to Save A' Deane's Bush at Ashley Clinton. Teresa Hurst was there for a Community Planting Day and was mentioned in the article. Teresa said in the article that she has belonged to Forest and Bird for 26 years and has been volunteering for Doc also for 26 years. Teresa said in the article that she has worked on the land all her life and she loves nature. Well done Teresa.

© Please keep saving your plastic lids eg milk bottle tops and also lids off jars plus the tabs off cans. At the moment please hand them to Ngaire and she will make sure that they are passed onto Cindy.

Talking of Cindy you will have noticed that she is not here today, Cindy is not well at the moment and as with all other members who are not well at the moment we wish everyone a speedy recovery.
