

Welcome to the South Auckland Branch of the 60s Up Movement:

September 2026 Newsletter: Spring has officially arrived. I hope someone has told the weather man.

Last month we presented Joan Brookes with a Life Membership award. She has been a member since 2010, is a past committee member and has run our donation table for a number of years. Congratulations Joan.

Our meetings are held at 10am on the first Wednesday of every month at St. Andrews Presbyterian Church, 150 Great South Road, Manurewa. Tell your friends about us.

Members please sign the register on arrival – this is a health and safety requirement.

President: David Elder Ph 022 627 4051.

Secretary: Sandra Caulton Ph 021 0230 9570

Treasurer: Warwick Levin

Bus trips: Christine Hayes Ph 021 979 465

Entertainment: Today's entertainer is Peter Wallace who is taking us on a musical trip back to the 1960s.

Bus Trips: On Wednesday 16th September we are going to Crystal Mountain. Entry, morning tea and lunch costs \$35. Bus leaves 9am. Some members, who have put their names down for trips, are still not letting us know if they cannot come and then complain when they lose their money. Crystal Mountain requires final numbers 7 days beforehand. That is their rule not ours – please note. Members can bring a friend on a bus trip once. If they wish to come again they must become members.

Donations Table: Don't forget we always need items to sell on our donations table. Produce, baking and jewellery always sell well.

Our next meeting is Wednesday 7th October 2026.

Dues are due from the 1st April. They will be \$15, same as last year. For those members paying online our account number is **12 3028 0523843-00**. Our official name is **The 60S-Up Movement of NZ Inc South Auckland Branch**

We thank COGS who provide us with a grant so that the good work can continue.

Joke of The Month: Once you hit a certain age life is just a delicate balance of trying to stay awake and trying to fall asleep, while slowly getting worse at both.
