Be a Friend - Bring a Friend

It's great to have clubs that you can go to when you get older. We lose our partners and close friends and retire from work and can sometimes feel alone. Organisations such as the 60's Up Movement are a great way to meet new people and make new friends and keep yourself busy. Our branch goes on trips, has entertainment and interesting speakers, quizzes, exercise groups, play Rummikub or just sit and have a cuppa and chat and listen to life stories. Many of our members have lived fascinating and full lives - just listen to the stories related by our over 90-year-olds. All this is another reason to keep coming along and enjoying the advantages of being a member of 60's Up.

September's Coach Trip

The bus departed on time and we made our way to Silverdale where we visited the Pioneer Village. It's a fascinating place and we followed the Time Trail through the Village viewing life as it was over a hundred-and-fifty years ago. Very few luxuries in those days and lots of hard work

Then on to Orewa Surf Club for lunch where most of us chose the Kiwi staple of fish and chips.

With full tummies and after much chatter we departed for home, a happy bunch.
