KAWAKAWA VINTAGE TRAIN TRIP FRIDAY 30TH OCTOBER 2026

After a hiccup with the bus not having enough seats, Murray & Joy drove up to Kawakawa, we arrived half an hour before the bus, so got in first to the Café & had coffee & muffins.

The train left at 11:00am, crawled along the main street & then off on our journey, about halfway about 10 cyclists got on to the special carriage for them & their bikes as they cannot ride across the bridge, & then got off on the other side. The train went as far as the new tunnel they are building through to Opua, then turned around.

Here are a few photos of the day

Man driving down the road. Woman driving up the same road. They pass each other.

The woman yells out the window, Pig!" The man yells back, "Bitch! The man rounds the next curve, crashes into a huge pig in the middle of the road, and dies.

Thought for the day: If men would just listen
